Filed: November 14, 2001

For: Gas Humidification Device for  
Operation Testing and Evaluation  
Of Fuel Cells

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

## INFORMATION DISCLOSURE STATEMENT

The applicant, and the attorney who signs below on the basis of the information supplied by the inventor and the information in his file, submit herewith patents, publications, or other information of which they are aware, which they believe may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 C.F.R. 1.56.

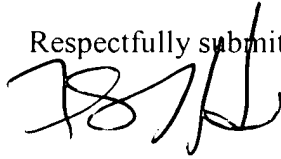

While the information submitted in this Information Disclosure Statement may be “material” pursuant to 37 C.F.R. 1.56, it is not intended to constitute an admission that any patent, publication, or other information referred to therein is “prior art” for this invention unless specifically designated as such.

In accordance with 37 C.F.R. 1.97(b), the filing of this Information Disclosure Statement shall not be construed to mean that no other material information as defined in 37 C.F.R. 1.56(a) exists.

The patents and/or publications submitted herewith are set forth on the attached Form PTO-1449. **Please note that references cited are in parent case, US Serial No. 09/392,060.**

In the event a fee is required in connection with the enclosed Information Disclosure Statement, the Commissioner of Patents and Trademarks is authorized to charge Deposit Account No. 50-0714/LYNN/0089.A for the necessary amount.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'F. Campigotto', written over the typed name.
